

## Contribution information

In order to make sure that BVJS is able to provide you the services you pay for, and to make sure that we have the cash available to make expenditures according to the approved budget, we need to make sure that all members pay the BVJS fees.

We hereby would like to reiterate what the BVJS policy is in this respect:

- Membership payment are due in advance on a monthly basis;
- Members can decide to make payment for a longer period (for example for a full year) at once, but only if this payment is made in advance;
- If the payment is not received for a month, the board might send a reminder;
- If no payment has been received for more than 3 months (Xcg 900 for houses and Xcg 450 for plots) a first collection notice will be sent to the member, communicating that in accordance with Article 3.3 of the BVJS regulations (House Rules) the member will lose the right to use the Fast-Lane.
- If no payment has been received for more than 6 months (Xcg 1800 for houses and Xcg 900 for plots) a second collection notice will be sent to the member, communicating that if the member does not pay the contribution within 30 days from the date of the letter, the member will be suspended according to Article 5.2 of the Articles of Association;
- If no payment has been received for more than 12 months (Xcg 3600 for houses and Xcg 1800 for plots) the suspended member will be marked as a 'free loader.' The board will handle freeloaders on a case by case basis.

In case any payment delays would occur in the future, you are aware according to which policy the Board will be handling these.
