RESPONSIBLE DOG OWNERSHIP IN OUR COMMUNITY

Safety and leash requirement:

To ensure a safe and pleasant living environment for everyone, we kindly request that dog owners keep their dogs on a leash whenever they are outside their own property. This helps prevent incidents and contributes to peace and safety within the community. In addition, the laws and regulations of Curaçao regarding the keeping and walking of dogs apply within Jan Sofat. We appreciate everyone's cooperation in respecting and complying with these rules.

Community cleanliness:

A well-maintained environment is a shared responsibility. We therefore kindly ask residents to always use proper clean-up tools ("scoopers") when walking their dog and to remove waste immediately. In this way, we can maintain a hygienic and pleasant community for everyone.
